Welcome to the Mayo Genealogy Group

We are a voluntary group brought together by our keen interest in genealogy. We enjoy sharing with others the successes and pitfalls of family research and it's through our collective experience and detective work that we can give other researchers a guiding hand.

You can visit us at the National Museum of Ireland-Country Life on the 2nd Saturday of every month, from 11.30am to 1pm. No attendance fee or booking required. We look forward to meeting you!

Find us on Facebook or contact us at mayogenealogygroup@gmail.com

The aims of the group are:

- To assist new and existing family researchers by advising on steps to family history, and guiding them through the resources they can use in the library, on the internet, etc.
- To bring together a group of like minded people to share their experiences in researching, and maybe make journeys together for further research.
