

## Medieval Love Tokens – Instructions

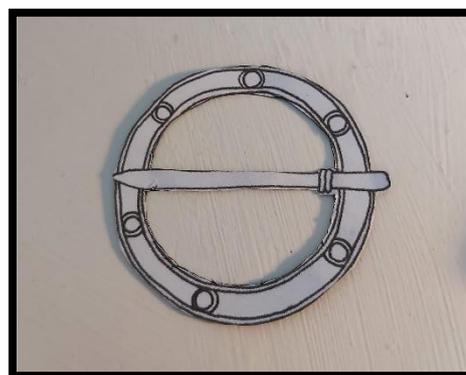

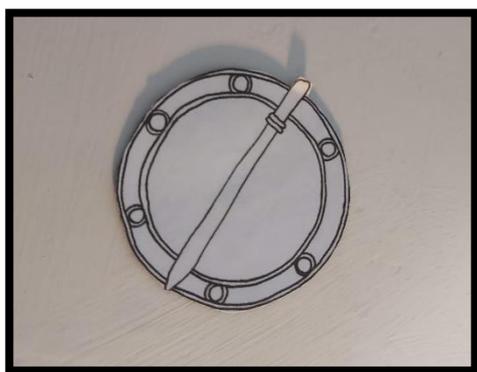

### What do you need?

- Print out the [Medieval Love Token Template](#)
- Glue
- Scissors
- Card, such as coloured card, or a cereal box
- Something to decorate. You can colour it, paint it, use glitter, sequins, beads, pipe cleaners, or whatever you find around the house!
- Sticky tape
- Safety pin

### How to make your Love Token?

1. Glue the template to a piece of card
2. Cut out the shape of the brooch – if you want, and with the help of an adult, cut out the centre of the brooch, but make sure you keep the pin. You can use a hole puncher to help you.

3. Decorate your Love Token however you like! – If you want, you can write an inscription on it
4. Use the sticky tape to carefully tape the safety pin to the back of the brooch.

Let us know how you got on! Email pictures of your Love Tokens to [educationarch@museum.ie](mailto:educationarch@museum.ie) or Tweet @NMIreland
